- Mark Daniels, NUA Utilities Engineer, 366-5377, mark.daniels@normanok.gov

Road Closure – Berry Road north and south of Lindsey Street Intersection

Weather permitting, Berry Road north of Lindsey Street will remain closed to through traffic and will be reopened to through traffic by 6 p.m. Tuesday, August 11. Cimarron Construction, under contract with the City of Norman, is currently installing a common utility trench along Lindsey Street from 24th Avenue SW to Berry Road.

Additionally, Berry Road south of Lindsey Street will be closed to through traffic at 8 a.m. Wednesday, August 5, and will be reopened to through traffic by 6 p.m. Tuesday, August 11. McKee Construction, under contract with the Norman Utilities Authority (NUA), is currently installing a new 24-inch water transmission line along Lindsey Street from 24th Avenue SW to Berry Road. This project is expected to be complete by late August 2015.

Warning and detour signs will be placed to assist the motoring public. Drivers are urged to use alternative routes via Wylie Road to Boyd Street to McGee Drive.

For questions, contact John Clink, City of Norman Capital Projects Manager, 366-5424 or john.clink@NormanOK.gov; Chris Serrano, City of Norman Utilities Coordinator, 366-5265 or chris.serrano@normanok.gov; Mark Daniels, City of Norman Utilities Engineer, 366-5443 or mark.daniels@normanok.gov. For additional information on the Lindsey Street Project, visit www.lindseystreetnorman.com.
